PUBLIC HEARINGS

- 21** Conduct a public hearing and consider an ordinance for Zoning Application No. Z0722-0247, submitted by Scott Harvel, for a change of zoning from Commercial to Commercial with a Conditional Use Permit to allow the outdoor display of used vehicles for sale, located at 2828 Interstate Highway 30, Suite 101.

(No responses in favor and two in opposition to the application have been received from property owners within the statutory notification area. The Planning and Zoning Commission recommends approval with certain stipulations.)

A public hearing was held regarding Zoning Application No. Z0722-0247.

Jeff Armstrong, Director of Planning and Development Services, stated that the applicant proposes to use a 3,450-square-foot lease space and up to 16 parking spaces within the newly constructed AllTrades development for the display and sale of used vehicles. The proposed concept plan identifies the spaces designated for display of 16 vehicles. Adequate parking exists on the site and will not reduce the remaining available spaces below the minimum number required for the entire development. Vehicles on display will be moved behind the front building into a secured area when the business is not in operation.

Mr. Armstrong stated that staff suggests adding "Display spaces shall be clearly marked" to Stipulation No.1 and to ensure there is no other writing on the vehicle windows, staff suggests that "and other writing" be added to Stipulation No. 8.

Applicant Scott Harvel, stated that they are proposing to operate a small used car dealership at the site specializing in later year model used vehicles of higher quality. The dealership will cater to clientele that may not be able to access credit with banks or cash buyers. Mr. Harvel stated that advertising will solely be communicated online through social media and the dealership's website. Hours of operation will be Monday through Saturday, from 9:00 a.m. to 5:00 p.m.

Councilmembers expressed concerns regarding the use of the property and whether the other tenants had been notified of the proposed use. The AllTrades development was presented to Council as suites to provide space for trades and services and was not intended to be used for used car dealerships. Council suggested that the applicant contact the City's Economic Development Department to locate a property permissible for a used car dealership.

No one appeared regarding the proposed application.

Ms. Vidler moved to deny Zoning Application No. Z0722-0247. Motion was seconded by Mr. Green and approved unanimously.

22

Conduct a public hearing and consider an ordinance amending Chapter 7.5 of the City Code providing for the establishment of procedures for assessing and collecting impact fees, establishing provisions for credits against impact fees, providing an appeals procedure, adopting revised land use assumptions, adopting Capital Improvements Plans and impact fees for roadway, water and wastewater facilities.

A public hearing was held regarding amending Chapter 7.5 of the City Code.

Jeff Armstrong, Director of Planning and Development Services, stated that updates to impact fee studies must be conducted every five years. In 2015, a study was completed for roadway, water and wastewater impact fees. In 2020, an update to the 2015 study was completed for roadway impact fees only. Now, the water and wastewater impact fee study is being updated. This update to the land use assumptions, Capital Improvements Program and fees will allow the City to continue to assess and collect impact fees. Although the proposed

ordinance also includes roadway impact fees, no changes to the roadway impact fee study or roadway impact fees are included.

April Rose Escamilla, representing Kimley Horn and Associates, Inc., stated that the services areas establish the boundary to which funds can be collected and specify areas to be serviced by the Impact Fee Capital Improvements Plan. The funds collected within a service area must be used on projects in that area within a ten-year period.

No one appeared regarding amending Chapter 7.5 of the City Code.

Mr. Green moved to approve Item No. 22 and the ordinance as presented with the Schedule 2 Collection Rates to the ordinance being set at 50 percent of the maximum assessable impact fee calculation such that the maximum fee per service unit for Water Facility Impact Fees is \$3,879.50 and the maximum fee per service unit for Wastewater Facility Impact Fees is \$2,904.50. And to approve Ordinance No. 4993, AMENDING THE CODE OF THE CITY OF MESQUITE, TEXAS, AS AMENDED, BY MAKING CERTAIN ADDITIONS, AND DELETIONS UNDER CHAPTER 7.5 "IMPACT FEES" WHICH PROVIDES FOR THE ESTABLISHMENT OF PROCEDURES FOR ASSESSING AND COLLECTING IMPACT FEES; ESTABLISHING PROVISIONS FOR CREDITS AGAINST IMPACT FEES; PROVIDING AN APPEALS PROCEDURE; ADOPTING REVISED LAND USE ASSUMPTIONS; ADOPTING CAPITAL IMPROVEMENTS PLANS AND IMPACT FEES FOR ROADWAY, WATER, AND WASTEWATER FACILITIES; PROVIDING A REPEALER CLAUSE; PROVIDING A SEVERABILITY CLAUSE; PROVIDING A PENALTY NOT TO EXCEED FIVE HUNDRED (\$500.00) DOLLARS FOR EACH OFFENSE; PROVIDING FOR PUBLICATION; AND PROVIDING AN EFFECTIVE DATE. Motion was seconded by Ms. Vidler and approved unanimously. (Ordinance 4993 recorded in Ordinance Book No. 128.)
