

REAL. TEXAS. SERVICE. CHAMPION

Richard Pegue, Parks and Recreation Department

Richard works in the Parks and Recreation Department, but is often sought out by other departments to assist with special events. His expertise with operating sound systems is heavily relied upon, and he is well-known for his positive, can-do attitude.

From handling equipment to assisting with reservations, he is professional and courteous with everyone he encounters. He often receives last minute requests for his assistance, taking him away from his regular duties, yet he willingly accepts any challenge.

Thank you, Richard, for providing our Mesquite community with Real. Texas. Service.
