Behind the Numbers

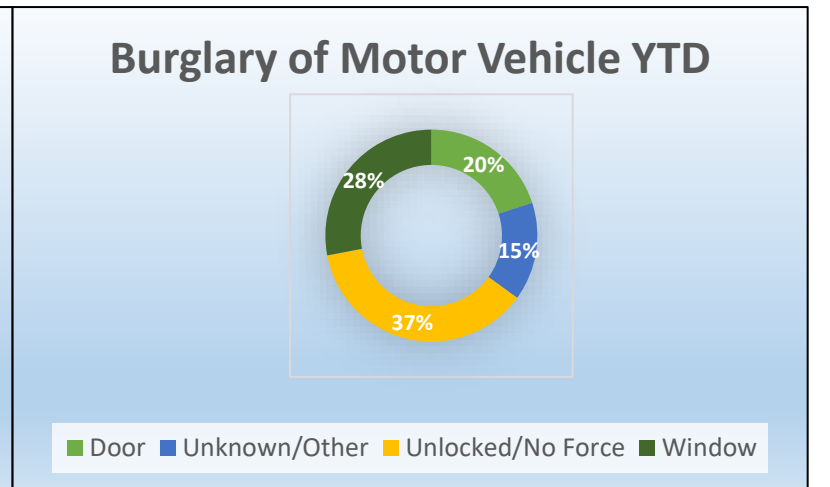

Description:
37% of auto thefts are reported at single family residences. 30% are reported at apartment complexes and 29% at other locations.

Description:
58% of burglaries or breaking and entering are occurring at residential locations and 14% are occurring at rental storage facilities. 28% are at other locations.

Description:
51% of reported shoplifting is happening at department stores. 38% is occurring at specialty stores.

Description:
At least 37% of burglary of a motor vehicle YTD is occurring when there is an unlocked car. This is an improvement from our 2020 numbers, but we still want to have more vehicles locked. BMV numbers can be improved if citizens make an effort to ensure they lock their car.

Mesquite Police Crime Stats Monthly Report- May 2021

Selective Traffic Enforcement

These are areas that have been submitted to Police as areas of concern for speeding from residents. The Police department works with Traffic to analyze these areas and assign selective traffic enforcement to monitor these areas for a defined period of time. It helps the Police department have more success if complaints are passed along with a specific time of day the violation occurs so targeted violators are caught. These are cross streets for reference but the actual enforcement zone may be extended around the area.
