PRE-APPLICATION MEETING

It is our goal to help your project proceed as smoothly as possible and for you and your team to have a pleasant experience developing in the City of Mesquite. To accomplish this, a Pre-Application Meeting is required before submitting any development or permit application for any of the following projects. The Case Manager assigned to your project will inform you if a Pre-Application meeting is needed.

1. Any new non-residential development
2. Expansion of an existing non-residential building
3. Construction or expansion of any multi-family residential structure
4. Construction of a new single-family house
5. Subdivision Plat
6. Rezoning or Conditional Use Permit application
7. Petition for voluntary annexation
8. Street closing
9. The City may call a meeting for significant remodeling and/or site work on non-residential properties.

APPLICATION AND MEETING INFORMATION

The City holds Pre-Application meetings each Wednesday morning. To sign up for a meeting, you can complete the attached Self-Survey form and email it to Planning@cityofmesquite.com or submit it online through the Citizen Access Portal (CAP) <https://energov.cityofmesquite.com> by 12:00 p.m. on the preceding Friday. At the time of your submission, the Planning staff you give an appointment time after your request is processed. The Pre-Application meeting will be scheduled for 30 minutes. Meeting times are assigned in the order that completed documents are received, beginning at 9:00 a.m. No more than five meetings will be held on any Wednesday. After the fifth application for any week is submitted, the City will schedule subsequent applications for the next Wednesday.

The City charges a \$50 fee with the submittal of your Self Survey. This \$50 fee is non-refundable. The applicant may pay the fee online through CAP or in person after you submit the Self Survey form.

If you do not submit a plan or permit application for your project within one year of the Pre-Application meeting, then it may be necessary to hold a new Pre-Application meeting for the project.

WHAT TO EXPECT

At the meeting, City staff will provide you a variety of general information regarding the City of Mesquite's development processes, contact information, applicable codes, applications, and fees. When possible and appropriate, City staff will provide information unique to your property or proposal and will be available to answer questions. However, this meeting is NOT intended for detailed discussion of requirements. No plans or drawings will be accepted, and no approvals will plans. Development and permit applications may be submitted to the City of Mesquite any time after your Pre-Application meeting.

MEET YOUR CASE MANAGER

A Case Manager will be assigned to your project and will attend your Pre-Application meeting. The Case Manager is a planner in the Planning Division of the Planning and Development Services Department, who will serve as the primary point of contact to assist you throughout the development process.

WHO SHOULD ATTEND

Any person associated with a development proposal may attend the meeting (property owner, business owner/manager, design professionals, etc.). In addition to your Case Manager, representatives of the Planning Division and Public Works Department will attend the meeting. Other City of Mesquite staff members may attend if needed.

ONLINE TOOLS

The City utilizes an online permit and plans management system to accept and review permits and plans electronically. You can access this system through the Citizen's Access Portal at <https://energov.cityofmesquite.com>. This online system empowers citizens and businesses to conduct business more efficiently in Mesquite by offering 24-hour access to the following Building, Engineering, Fire, Neighborhood Services, and Planning & Zoning services:

- Submit permit applications for Building Inspection, Fire Inspection, and Engineering review;
- Submit plan applications for new building projects;
- Pay fees for a variety of development services;
- Access electronic plan reviews by the City;
- Request inspections online;
- Access online registration for contractors and other related services;
- Register as a rental property landlord and participate in the Rental Certificate of Occupancy program.

You and any member of your development team that you wish will be able to access the permits and plans associated with your project.
