

**Life Saving Award #01
February 3, 2016**

On February 3, 2016, Engine 01 and Ambulance 01 were dispatched to an unconscious person. Upon assessment it was determined the patient was in cardiac arrest and CPR was immediately initiated. After advanced life support measures were taken the patient began to breathe on her own. Paramedics quickly transported the patient to the hospital, where upon arrival, the patient again went into cardiac arrest. Hospital staff started CPR and advanced life support measures. This patient did recover, and was discharged from the hospital at a later date.

Please help me in recognizing the following Mesquite Fire Department Members for a job well done.

Ambulance 01

FF/Par. Jerry Jedlicka
FF/Par. Kenneth Holt

Engine 01

Lt./Par. David Ivie
FF/Par. Michael Potter
