

## **REAL. TEXAS. SERVICE. CHAMPION**

### **Jarrold Beck, Public Works Department**

Jarrold is a Heavy Equipment Mechanic with the City's Equipment Services Division. He is responsible for the diagnostics of heavy equipment and has saved the City considerable funds through his knowledge, abilities and willingness to take on major repair projects.

Known for working tirelessly to complete all repairs, Jarrold always gives 100 percent. He has increased productivity in this division and helped create a more positive working environment by leading by example and assisting his co-workers whenever needed.

He is considered by many in the Public Works Department to be one of the finest mechanics ever employed by the City of Mesquite, and a true Real. Texas. Service. Champion.
